NAPA/CRC STEER-AID™

Prolongs the life of the power steering unit by restoring the elasticity of the seals, thereby stopping internal leaks and squeals due to aged and dry seals. Non-clogging. Non-corrosive. Non-foaming. Does not affect viscosity of fluid in power steering unit.

DIRECTIONS: Read entire label before use. Add enough Steer-Aid to maintain proper fluid levels in power steering unit reservoir. Check reservoir periodically.

WARNING: Contains Petroleum Distillate 64742-53-6, Petroleum Distillate 64742-58-1 and Diocetyl Adipate 103-23-1. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Keep away from heat and flame. Avoid contact with skin. **FIRST AID:** In case of eye or skin contact, flush with large amounts of water for at least 15 minutes. If swallowed, do not induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately.

KEEP AWAY FROM CHILDREN.

All used and unused product should be disposed of in conformance with local, state, and federal regulations. For additional information, consult the Material Safety Data Sheet for this product.
