

# Belt Conditioner

NAPA/CRC Belt Conditioner prevents slippage, eliminates squeaks, and prolongs belt life. Use on all flat, round, serpentine or V-belts (leather, rubber, canvas, or fabric). Use on auto belts, industrial belt drives, farm machinery, etc.

**DIRECTIONS:** Read entire label before using this product.

1. For personal safety, do not apply while equipment is energized. 2. Apply to clean, dry surface – free from wax or grease. Always use at room temperature. 3. Hold can in upright position, 8-10 inches away from belt surface. 4. Apply sparingly. Do not use more than belt can absorb. Repeat application as necessary.

**WARNING:** Contains Hexane isomers 107-83-5, Hydrocarbon propellant 68476-86-8, Polyisobutene 9003-29-6, and n-Hexane 110-54-3. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Contents are extremely flammable. Do not use near open flame or other sources of ignition. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to liquid or vapors can irritate eyes, skin and upper respiratory tract, and may cause headache, dizziness, drowsiness, or confusion. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Vapors are heavier than air and can accumulate in low areas. If you experience any symptoms listed on this label, increase ventilation or leave the area. Product may pose an aspiration hazard if swallowed. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, on the ground, or into any body of water.

**KEEP AWAY FROM CHILDREN**

**SPECIAL USAGE WARNINGS:** Contents Extremely Flammable. Do not smoke while spraying. Extinguish all flames, pilot lights, and heaters. Do not use on energized equipment. Vapors will accumulate readily and may ignite. Use only with adequate ventilation; maintain ventilation during use and until vapors are gone.

**ELECTRICAL SHOCK HAZARD:** This can will conduct electricity. Keep away from all live electrical sources including Battery Terminals, Solenoids, Electrical Panels and other electronic components. DO NOT use with ignition in "ON" position. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.
