AMSOIL Diesel Recovery Emergency Fuel Treatment

Dissolves gelled fuel quickly in diesel fuel emergencies.
*AMSOIL Diesel Recovery is non-corrosive and
contains no alcohol. Compatible with all diesel fuels.*

This diesel fuel additive complies with the federal low sulfur content requirements for use in diesel motor vehicles and nonroad engines.

DIRECTIONS: Read entire label before using this product.

1. Remove the existing fuel filter or obtain a new fuel filter.
2. Fill fuel filter with AMSOIL Diesel Recovery Emergency Fuel Treatment.
3. Reinstall fuel filter.

4. Add remaining contents of the bottle to the fuel tank and add more if required by treat rate recommendations. Treat Rate: One gallon of AMSOIL Diesel Recovery Emergency Fuel Treatment to every 128 gallons of fuel (one quart treats 32 gallons of fuel). Additional treatment may be required if equipped with larger fuel tanks.

5. Start the engine and allow the fuel system to circulate until full power has been restored to the engine.

WARNING: Contains Stoddard Solvent, Petroleum Naphtha, Tetramethylbenzene, Naphthalene. Overexposure to vapor may cause eye and skin irritation, irritation to respiratory tract, headaches, dizziness, drowsiness, unconsciousness, and other central nervous system effects. Product is combustible and should be kept from all flames and other ignition sources. This product contains chemicals known to the State of California to cause cancer, birth defects and/or other reproductive harm. Use only in a well-ventilated area. Avoid continuous breathing of vapors. Avoid contact with skin and eyes. **FIRST AID:** In case of eye contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed remove to fresh air. For severe overexposure, call a physician immediately. **KEEP AWAY FROM CHILDREN.**

For additional information, consult the Material Safety Data Sheet for this product. All used and unused product should be disposed of in accordance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground, or into any body of water.
