

Brake Parts Cleaner

CARQUEST Brake Parts Cleaner removes brake fluid, grease, oil and other contaminants from all types of brake assemblies. Stops disc brake squeal. May be applied without disassembling the brake unit. **CLEANS AND DEGREASES** brake linings, cylinders, drums, clutches, springs, disc brake parts, C.V. joints, and other brake parts.

DIRECTIONS: *Read entire label before using this product.*

1. **DO NOT** apply while equipment is energized or on hot surfaces.
2. Protect all rubber brake parts, plastic parts, rims and painted surfaces from product and overspray.
3. Wet down surfaces to be cleaned using short bursts of Brake Parts Cleaner at a distance of 18-24 inches. Avoid breathing any dust or vapors that may become airborne. (See inhalation warning below)
4. After all surfaces have been wetted, continue spraying Brake Parts Cleaner to remove contaminants.
5. Air dry or wipe with a clean cloth.
6. For heavy deposits, repeat application as necessary.
7. Runoff should be collected and disposed of properly. (See disposal statement below)
8. Professional users should consult SDS and follow all applicable OSHA regulations.

WARNING: Contains Tetrachloroethylene 127-18-4 and Carbon Dioxide 124-38-9. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F/49°C. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Do not use near flames, welding arcs, or excessive heat. When exposed to extreme heat, vapors may decompose to corrosive and toxic gases such as hydrogen chloride and possibly phosgene. Make sure equipment is thoroughly dry and vented before restarting. Avoid continuous breathing of vapor and spray mist. **Excessive inhalation of dust and/or vapors may be harmful.** Avoid contact with skin and eyes. Overexposure to vapors can cause eye and skin irritation, irritation to upper respiratory tract, central nervous system effects, irregular heartbeats, unconsciousness and possibly death. Tetrachloroethylene is reasonably anticipated to be a human carcinogen based on animal studies. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Vapors are heavier than air and can accumulate in low areas. If ventilation is not adequate or you experience any symptoms listed on this label, increase ventilation, use respiratory protection or leave the area.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, **DO NOT** induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult the Safety Data Sheet for this product.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. **DO NOT** dump in sewers, floor drains, on the ground or into any body of water.

KEEP AWAY FROM CHILDREN

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.

Not for use in California or New Jersey.
