

Electric Motor & Parts Cleaner

CARQUEST Electric Motor & Parts Cleaner swiftly and effectively degreases, removes oil, dirt, wax and other foreign matter that may cause electrical failure. It is a non-flammable and non-staining cleaner.

CLEANS AND DEGREASES

Electric Motors	Solenoids	Commutators	Starters
Alternators	Cams	Welders	Tools
Distributors	Cables	Coils	Generators

DIRECTIONS: Read entire label before using this product. Follow all directions.

NOT FOR USE ON SENSITIVE ELECTRONIC EQUIPMENT SUCH AS TAPE DECKS, VCRs, COMPUTERS ETC. USE A PLASTIC SAFE CLEANER FOR THESE APPLICATIONS.

- DO NOT use on polycarbonate plastics such as LEXAN®. If in doubt, call the manufacturer of the equipment. MAY ALSO BE HARMFUL TO OTHER PLASTICS.
- Protect all rubber parts, plastic parts and painted surfaces from overspray. DO NOT spray directly on painted surfaces.
- Remove access plates to expose equipment interior. For hard to reach areas, use extension tube.
- Spray until clean.
- Air dry or dry with a soft cloth.
- Heavy deposits may require scraping and repeat applications.
- Use caution when applying on or around energized equipment.

WARNING: Contains Tetrachloroethylene 127-18-4 and Carbon Dioxide 124-38-9. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Do not use near flames, welding arcs, or excessive heat. When exposed to extreme heat, vapors may decompose to corrosive and toxic gases such as hydrogen chloride and possibly phosgene. Make sure equipment is thoroughly dry and vented before restarting. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to vapors can cause eye and skin irritation, irritation to upper respiratory tract, central nervous system effects, irregular heartbeats, unconsciousness and possibly death. Tetrachloroethylene is reasonably anticipated to be a human carcinogen based on animal studies. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Vapors are heavier than air and can collect in low areas, pits, small rooms and other unventilated areas. If ventilation is not adequate, respiratory protection should be used. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

KEEP AWAY FROM CHILDREN

NOTICE TO USERS IN CA AND CERTAIN OTC/LADCO STATES (see MSDS for list): VOC Category: Energized Electrical Cleaner. Energized equipment use only. Not to be used for motorized vehicle maintenance or their parts.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including Battery Terminals, Solenoids, Electrical Panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.
