Engine Degreaser

CARQUEST Engine Degreaser powerfully removes grime. A clean engine runs cool and looks new. Use on most metal surfaces including automobiles, boats, power mowers, machinery, garden, farm and construction equipment.

DIRECTIONS: Read entire label before using this product. Follow all directions in numerical order.

1. Do not apply while equipment is energized. Engine must be off and cool.
2. Remove air cleaner cover and filter. Cover air intake system (or carburetor), distributor, all exposed wiring and electronic components. Limit rinse water to prevent underhood wiring and electronic sensors to prevent performance problems.
3. Spray Engine Degreaser on dry engine.
4. Allow to penetrate and clean for 10 to 15 minutes. Brush heavy deposit areas if required.
5. Before rinsing, place a rinse collection receptacle underneath the engine.
6. Rinse from the top down using a fine stream of water. Use a minimum amount of water. Do not dispose of rinse water on the ground, in sewers, floor drains or other waterways.
7. Rinse water must be disposed of in conformance with local, state and federal regulations.
8. Remove all covers from carburetors, distributors, air intake system and electronic components. Replace all removed parts. Immediately start engine and let idle for 10-15 minutes to dry.

IMPORTANT: Wipe product immediately from exterior painted surface to avoid streaking and waxing. Avoid use of Engine Degreaser on asphalt black top or other surfaces affected by organic solvents.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.

ALL USED AND UNUSED PRODUCT SHOULD BE DISPOSED OF IN CONFORMANCE WITH LOCAL, STATE AND FEDERAL REGULATIONS. For additional information, consult the Material Safety Data Sheet for this product.

This product is not for use in California or OTC states.
