

WARNING: DANGER ☠️ **POISON** Contains: Toluene 108-88-3, Methanol 67-56-1, Acetone 67-64-1, Xylene 1330-20-7 & Carbon Dioxide 124-38-9. Cannot be made non-poisonous. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is extremely flammable. Keep away from flames and other ignition sources. Overexposure to vapors can cause eye and skin irritation, headaches, nausea, dizziness, irritation to upper respiratory tract and irregular heartbeats. High concentrations have caused liver and kidney effects on laboratory animals. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and can collect in low areas. If ventilation is not adequate, respiratory protection should be used. **FIRST AID:** In case of eye and skin contact flush with water for 15 minutes. If swallowed DO NOT induce vomiting. If too much is breathed remove to fresh air. For severe overexposure call physician immediately. **KEEP OUT OF REACH OF CHILDREN.**

Carburetor Cleaner

CARQUEST Carburetor Cleaner dissolves carburetor deposits such as gum, sludge and varnish to improve fuel system performance and insure maximum fuel economy.

DIRECTIONS: Read entire label before using this product.

THIS PRODUCT IS EXTREMELY FLAMMABLE AND MAY CAUSE FLASH FIRES AND ENGINE BACKFIRES WHICH MAY RESULT IN INJURY. DO NOT SPRAY ON HOT METAL SURFACES OR WHEN ENGINE IS HOT.

Carburetor: With ignition off and engine cool remove air filter and spray entire exterior surface of carburetor including linkage. After carburetor dries, start engine and spray CARQUEST Carburetor Cleaner down the carburetor throat to remove the deposits from the lower throttle plate area. **Choke:** With engine off, spray CARQUEST Carburetor Cleaner on both ends of the choke valve shaft while working choke by hand. If choke still sticks, remove choke cover and spray vacuum cylinder.

PCV Valve: Disconnect crank case side of PCV valve and with engine running spray CARQUEST Carburetor Cleaner into open end of valve while working the plunger back and forth.

IMPORTANT: Will not harm catalytic converters. May harm paint. If applied to painted surfaces, wipe dry or wash with water immediately.

SPECIAL USAGE WARNINGS

- Contains Extremely Flammable
- Do not smoke while spraying
- Extinguish all fires, pilot lights and heaters
- Vapors will accumulate readily in confined spaces such as garages, engine compartments and living areas
- Startle easily by igniting vapors
- Use only with adequate ventilation
- Circulate fresh air during use and until vapors are gone

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash and/or electrical shock.

ALL USED AND UNUSED PRODUCT SHOULD BE DISPOSED OF IN CONFORMANCE WITH LOCAL, STATE AND FEDERAL REGULATIONS. For additional information, consult the Material Safety Data Sheet for this product.

This product is not for use in California or OTC states.
