

Fuel Injector Cleaner

- Cleans Fuel Injectors and Carburetors
- Helps Stop Dieseling
- Will Not Harm Catalytic Converters or Oxygen Sensors

No. 2005 (CCM) • Net Contents 12 fl. oz. (355 mL)

DANGER: COMBUSTIBLE. HARMFUL OR FATAL IF SWALLOWED. Read warnings on back panel.

Fuel Injector Cleaner

Cleans fuel injector deposits, carburetors, intake system, valves, ports and fuel lines. Disperses water and improves fuel atomization. Controls knock caused by deposits. Controls engine's demands for higher octane fuels. Will not harm catalytic converters or oxygen sensors.

DIRECTIONS: Read entire label before using this product.

1. Empty contents of one container into 12 gallon fuel tank and fill with gasoline.
2. Use regularly to maintain engine cleanliness.
3. For existing deposit problems, initially use 2 containers per 12 gallons of fuel.

WARNING: Contains Petroleum Distillates 68476-34-6, 64741-86-2 and 64742-94-5, Alkyl Phenol 800967-5941P and Alkylbenzene 800967-5503P. Overexposure to vapor may cause eye and skin irritation, irritation to respiratory tract, headaches, dizziness, anes-thesia, drowsiness, unconsciousness and other central nervous system effects. Product is combustible and should be kept from all flames and other ignition sources. This prod-uct contains a chemical known to the state of California to cause cancer and birth defects, or other reproductive harm. Use only with good ventilation. Avoid continuous breathing of vapors. Avoid contact with skin and eyes. **FIRST AID:** In case of eye or skin contact, flush with large amounts of water for at least 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product.

KEEP AWAY FROM CHILDREN

All used and unused product should be disposed of in accordance with all local, state and federal regulations.
