

Concentrated Radiator Sealer

- One Step Action
- Prevents Coolant Loss

No. 2020 (CCM) • Net Contents 12 fl. oz. (355 mL)

WARNING: MAY CAUSE EYE IRRITATION.
Read warnings on back panel.

Concentrated Radiator Sealer

For use in all cooling systems. Protects metal in the system against rust and corrosion. Quickly stops leaks in radiators and entire cooling system. Seals against seepage and prevents loss of anti-freeze. No clogging. Will not harm hoses or gaskets. Works with any standard anti-freeze or anti-rust.

DIRECTIONS: Read entire label before using this product.

1. With radiator nearly full, shake container thoroughly and add entire contents to radiator while engine is running at normal idle. (No need to wait for engine warm-up).
2. Run engine at fast idle until leak stops. Do not drain.
3. One container is sufficient for cooling systems up to 22 quarts. If cooling system is not absolutely clean, use CARQUEST Radiator Flush.

WARNING: Contains Water 7732-18-5, Naphthenic Oil 64742-53-6, Petroleum Sulfonate 64741-88-4, Bentonite 1302-78-9, Diatomaceous Earth 91053-39-3. Avoid contact with eyes. **FIRST AID:** In case of contact, wash thoroughly for 15 minutes. If swallowed, do not induce vomiting. For severe overexposure, call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product. **KEEP AWAY FROM CHILDREN**

All used and unused product should be disposed of in accordance with all local, state and federal regulations.
