CARB & CHOKE CLEANER

PARTS PLUS Carb and Choke Cleaner dissolves carburetor deposits such as gum, sludge and varnish to improve fuel system performance and insure maximum fuel economy. Safe for use with Oxygen Sensors and Catalytic Converters.

DIRECTIONS: Read entire label before using this product. This product is extremely flammable and may cause flash fires and engine backfires which may result in injury. Do not spray on hot metal surfaces or when engine is hot. Use plastic extension tube to direct spray to exact location.

CARBURETOR AND LINKAGE: With ignition off and engine cool, remove air filter, cleaner and spray entire exterior surface of carburetor including linkage. After carburetor dries, start engine and spray PARTS PLUS Carb & Choke Cleaner down the carburetor throat to remove the deposits from the lower throttle plate area.

AUTOMATIC CHOKE: With engine off, spray PARTS PLUS Carb & Choke Cleaner on both ends of choke valve and corresponding linkages while opening and closing choke by hand.

MANIFOLD HEAT CONTROL VALVE: With engine cold, spray PARTS PLUS Carb & Choke Cleaner on both ends of heat control valve shaft. Move counterweight up and down until valve moves freely. If necessary, tap gently with a light hammer to loosen a frozen heat control valve.

PCV VALVE: Disconnect crank case side of PCV valve and with engine running spray PARTS PLUS Carb & Choke Cleaner into open end of valve while working the plunger back and forth. **IMPORTANT:** If spilled or sprayed on painted surface, wipe off or wash off immediately.

WARNING: DANGER: POISON Contains: Toluene 106-88-3, Methylalol 67-56-1, Acetone 67-64-1, Heptane 142-82-5, Xylene 1330-20-7 & Carbon Dioxide 124-38-9. Cannot be made non-poisonous. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is extremely flammable and should be kept from flames and other ignition sources. This product contains a chemical known to the state of California to cause cancer and birth defects, or other reproductive harm. Overexposure to vapors can cause eye and skin irritation, headaches, nausea, dizziness, irritation to upper respiratory tract and irregular heartbeats. High concentrations have caused liver and kidney effects on laboratory animals. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and can collect in low areas. If ventilation is not adequate, respiratory protection should be used. **FIRST AID:** In case of eye and skin contact flush with water for 15 minutes. If swallowed, do not induce vomiting. If too much is breathed remove to fresh air. For severe overexposure call physician immediately. For additional information consult the Material Safety Data Sheet for this product. **DISPOSAL:** All used and unused product must be disposed of in accordance with all local, state and federal regulations. **KEEP AWAY FROM CHILDREN.**

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

SPECIAL USAGE WARNINGS: Contents Extremely Flammable. • Do not smoke while spraying. • Extinguish all flames, pilot lights and heaters. • Vapors will accumulate readily in confined spaces such as garage, engine compartments and low lying areas. Static electricity may ignite vapors. • Use only with adequate ventilation. • Circulate fresh air during use and until vapors are gone.
