

Battery Cleaner

CARQUEST Battery Cleaner cleans battery cases, connectors, terminals, hold downs and carriers. It neutralizes acid spills and helps prevent corrosion.

- Reduces voltage leakage due to contaminants.
- Assures maximum battery current flow.
- Helps eliminate energy loss with regular maintenance.
- Promotes longer battery life.

DIRECTIONS: *Read entire label before using this product.*

1. Shake can.
2. Spray liberally over battery surface and all contaminated areas. Do not spray into battery cells.
3. Allow Battery Cleaner to soak for a few minutes, then flush with water and wipe dry with cloth or paper towel.
4. Use a wire brush for heavy deposits on terminal and protectors. Repeat application if needed.

WARNING: Contains water 7732-18-5, hydrocarbon propellant 68476-86-8, and 2-butoxyethanol 111-76-2. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Avoid contact with skin and eyes. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. This product contains chemicals known to the State of California to cause cancer.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call physician immediately. For additional information, consult SDS for this product.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations.

KEEP AWAY FROM CHILDREN

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.
