

OCTANE BOOST

and Lead Substitute

- Increases Horsepower
- Contains No Lead or Alcohol

No. 1070 (CCM) • Net Contents 12 fl. oz. (355 mL)

**DANGER: COMBUSTIBLE. HARMFUL OR FATAL
IF SWALLOWED.** Read warnings on back panel.

Octane Boost and Lead Substitute

DIRECTIONS: Read entire label before using this product.

Add entire contents of one 12 oz. bottle to a 16 gallon (60 liter) tank and fill with gasoline. Use entire contents at once. Avoid spilling on painted surfaces. Do not use this product if foil seal has been removed.

• Increases octane. • Reduces octane requirement. • Maximizes power and torque. • Protects against valve recession, and replaces lubrication formerly found in leaded fuels. • Decreases NOX and carbon monoxide emissions. • Contains a smoke suppressant. • Will not harm oxygen sensors or catalytic converters. • Eliminates rough idle and sluggishness. • Reduces knocks, pings and engine after run.

Not for use in diesel engines. For on-road and off-road applications.

WARNING: Contains Methylcyclopentadienyl Manganese Tricarbonyl 12108-13-3, Petroleum Distillate 64742-94-5, Naphthalene 91-20-3, 1,2,4 Trimethylbenzene 95-63-6, Petroleum Distillate 8008-20-6. Overexposure to vapor may cause eye and skin irritation, headaches, nausea, dizziness, irregular heartbeats and irritation to respiratory tract. Product is combustible and should be kept from all flames and other ignition sources. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. **FIRST AID:** In case of eye contact, flush with water for 15 minutes. For skin contact, wash with soap and water. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call physician immediately. **KEEP AWAY FROM CHILDREN.**

For additional information, consult the Material Safety Data Sheet for this product. All used and unused product should be disposed of in accordance with local, state, and federal regulations.
