

Brake Parts Cleaner

- **Removes Brake Fluid, Grease and Oil**
- **Degreases Instantly**
- **Leaves No Residue**
- **Non-Flammable**

Part No. 1006 (CCM) • Net Contents: 1 gal. (3.78 L)

DANGER: VAPOR HARMFUL. Read warnings on back panel.

Brake Parts Cleaner

CARQUEST Brake Parts Cleaner removes brake fluid, grease, oil and other contaminants from brake linings and drums. It also stops disc brake squeal. It can be applied without disassembling the brake unit.

CLEANS AND DEGREASES: brake linings, springs, cylinders, disc brake parts, drums, clutches and related brake parts.

DIRECTIONS: *Read entire label before using this product. Follow all directions in numerical order.*

Do not apply while equipment is energized. Do not use on polycarbonate plastics such as LEXAN®. If in doubt, call the manufacturer of the equipment. Most other plastics, rubber and painted surfaces will not be harmed

WARNING: Contains Tetrachloroethylene 127-18-4. Do not use near flames, welding operations or excessive heat. When exposed to extreme heat, vapors may decompose to corrosive and toxic gases such as hydrogen chloride and possibly phosgene. Make sure equipment is thoroughly dry and vented before restarting. Avoid continuous breathing of vapor. **Excessive inhalation of dust and/or vapors may be harmful.** Avoid contact with skin and eyes. Overexposure to vapors can cause eye and skin irritation, irritation to upper respiratory tract, central nervous system effects, irregular heartbeats, unconsciousness and possibly death. Tetrachloroethylene is reasonably anticipated to be a human carcinogen based on animal studies. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Vapors are heavier than air and can collect in low areas, pits, small rooms and other unventilated areas. If ventilation is not adequate or you experience any symptoms listed on this label, increase ventilation, use respiratory protection or leave the area.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexpo-

sure, call a physician immediately. For additional information, consult the Safety Data Sheet for this product.

1. Protect rubber brake parts from overspray.
2. To remove brake fluid, grease, oil and other contaminants, spray or brush brake parts with Brake Parts Cleaner.
3. Air dry or dry with soft wiper.
4. If necessary, repeat application.
5. In dip tank cleaning, do not expose painted surfaces, insulating materials, plastic or rubber parts for more than 3 minutes.
6. Do not use on sensitive electronic equipment such as tape decks, VCRs, computers, etc. Use CARQUEST Quick Dry Electronic Cleaner.

sure, call a physician immediately. For additional information, consult the Safety Data Sheet for this product.

HANDLING AND SPILL PRECAUTIONS: Keep container closed when not in use. Do not store above 100° F. For spill clean-up, use proper protective equipment. Use absorbent and store in closed containers for proper disposal. Do not enter where high vapor concentrations are suspected unless air-supplied respirator is used and a trained observer is present and equipped with rescue gear.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

KEEP AWAY FROM CHILDREN.

NOT FOR USE IN CA OR NJ.
