

Windshield & Lock De-Icer

- Defrosts car and truck windows instantly
- Loosens and melts ice to assist in removal
- Thaws frozen locks

DIRECTIONS: *Read entire label before using this product.*

1. Brush off heavy snow or slush before spraying.
2. Spray CARQUEST Windshield De-Icer on window and allow it to penetrate and melt ice before using wipers.
3. If ice is thick and non-porous, a few scratches across the ice will assist in penetration.

DANGER: POISON ☠ Cannot be made non-poisonous. Contains methanol 67-56-1, water 7732-18-5, propylene glycol 57-55-6 and carbon dioxide 124-38-9. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Contents are flammable. Do not use near open flame or other sources of ignition. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to liquid or vapors can cause eye and skin irritation, irritation to upper respiratory tract, central nervous system effects such as headache, dizziness, drowsiness or confusion, or damage to liver, kidneys or central nervous system. Swallowing this product may lead to visual impairment or blindness. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Vapors are heavier than air and can accumulate in low areas. If you experience any symptoms listed on this label, increase ventilation or leave the area.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, DO NOT induce vomiting. Call a physician immediately. For additional information, consult the Safety Data Sheet for this product.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. Do NOT dump in sewers, floor drains, on the ground or into any body of water.

KEEP AWAY FROM CHILDREN

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. DO NOT use with ignition in "ON" position. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.
