

Fuel Stabilizer

- Preserves Stored Gasoline and Diesel Fuel
- Formulated to Reduce the Impact of Ethanol-Blended Gasoline
- For Use in Lawnmowers, Chainsaws, Boats, Motorcycles, Snowblowers, Garden Equipment and More

No. 2075 (CCM) • Net Contents 12 fl. oz. (355 mL)

DANGER: COMBUSTIBLE. HARMFUL OR FATAL IF SWALLOWED. Read warnings on back panel.

Fuel Stabilizer

Concentrated high potency formula for use in all 2 and 4 cycle engine fuel tanks and gasoline storage containers. Keeps stored leaded and unleaded gasoline, gasohol and diesel fuel fresh for up to one year. Prevents gum and varnish build-up and keeps fuel system clean for optimum performance and easier starting over long storage periods. Reduces engine maintenance. Formulated to reduce the impact of Ethanol-blended gasoline. No messy draining of fuel or fire hazard. Not a replacement for 2 Cycle Oil.

This product complies with the federal ultra-low sulfur content requirements for use in all diesel motor vehicles and non-road engines.

DIRECTIONS: Read entire label before using this product.

Use one ounce per 1 gallon of fuel for storage period of up to 12 months. Pour Fuel Stabilizer into fuel. Run engine for 2-3 minutes to allow treated fuel to run through fuel system and engine.

FOR EVERYDAY USE: Add 1 ounce for every 2 gallons of fuel.

WARNING: Contains Stoddard solvent 8052-41-3, Petroleum distillate 68476-34-6 and hydroxyethylated aminoethylamide 800967-5341P. Avoid continuous breathing of vapor and spray mists. Avoid contact with skin and eyes. Product is combustible, keep from flames and other ignition sources. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm.

FIRST AID: In case of eye contact, flush with water for 15 minutes. For skin contact, wash with soap and water. If swallowed DO NOT induce vomiting. If too much is breathed remove to fresh air. For severe over-exposure call physician immediately. **KEEP AWAY FROM CHILDREN.**

For additional information, consult the Material Safety Data Sheet for this product. All used and unused product should be disposed of in accordance with all federal, state, and local regulations.
