***Premium Concentrated Formula
Removes harmful deposits to
restore power and mileage***

DANGER: HARMFUL OR FATAL IF SWALLOWED.
COMBUSTIBLE.
READ WARNINGS ON BACK PANEL.

12 fl. oz. (355 mL)

No. 05061AP

***Fuel Injector
Cleaner***

Fuel Injector Cleaner

Cleans injector deposits, carburetor, intake system, valves, ports and fuel lines. Disperses water. Improves fuel atomization. Controls knock caused by deposits. Controls engine's demands for higher octane fuels. Safe for leaded and unleaded fuel. Will not harm catalytic converters or oxygen sensors.

DIRECTIONS: *Read entire label before using this product.*

1. Add entire contents of one 12 oz. bottle to fuel tank (treats 12 gallons) and fill with fuel.
2. Use regularly to maintain engine cleanliness.
3. For existing deposit problems, initially use 2 containers per 12 gallons of fuel.

WARNING: Contains petroleum distillates 68476-34-6, 64741-86-2, & 64742-94-5 and naphthalene 91-20-3. Product is combustible and should be kept from heat, open flames and other ignition sources. Avoid breathing of vapor or contact with skin and eyes. Overexposure can cause irritation to eyes, skin, and upper respiratory tract, headache or dizziness. Product may pose an aspiration hazard if swallowed. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, DO NOT induce vomiting. Call physician immediately. For additional information, consult SDS for this product.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water.
