Directions: Read entire label before using product. Follow all directions in numerical order.

1. Safe on most automotive plastics. Test a small area before using.
2. Protect all rubber brake parts, and painted surfaces from product and over spray. DO NOT spray directly on painted surfaces. DO NOT apply while equipment is energized.
3. Wet down surfaces to be cleaned using short bursts at a distance of 18-24 inches. Avoid breathing any dust or vapors that may become airborne. (See inhalation warning)
4. After all surfaces have been wetted, continue spraying to remove contaminants
5. Air dry or wipe with clean cloth.
6. For heavy deposits, repeat application if necessary.
7. Runoff should be collected and disposed of properly. (See disposal statement) Professional users should consult MSDS and follow all OSHA regulations.

WARNING: DANGER ☠️ **POISON:** Contains Methanol 67-56-1, Toluene 108-88-3, Acetone 67-64-1, and Carbon Dioxide 124-38-9. Cannot be made non-poisonous. Do not puncture, incinerate or store can above 120 degrees F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is extremely flammable. Keep away from flames and other ignition sources. Overexposure to vapors may cause skin and eye irritation, headaches, nausea, dizziness, irritation to upper respiratory tract and irregular heartbeats. High concentrations have caused liver and kidney damage in laboratory animals. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Excessive inhalation of dust and/or vapors may be harmful. Use only in well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and can collect in low areas. If ventilation is not adequate, respiratory protection should be used.

FIRST AID: In case of eye or skin contact, flush with water for at least 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician. For more information, consult the Material Safety Data Sheet for this product.

F+ Extremely Flammable

Xn Harmful
