

- **CLEANS AND PROTECTS** precision instruments and gages
- **LUBRICATES** with a micro-film continuous film.
- **STOPS RUST AND CORROSION** from forming on gaging surfaces.
- **DISPLACES AND SEALS OUT MOISTURE** on gages in damp atmospheres

DIRECTIONS: Read entire label before using this product.

1. Hold can upright and spray a light even coat on entire gage surface.
2. Repeat application after handling gages.

WARNING:

Contains Petroleum Distillate 64742-47-8, Petroleum Distillate 64742-54-7, Butyl stearate 123-85-5, Fatty Acid Ester 1338-43-8 and Carbon Dioxide 124-38-9. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is flammable and should be kept from flames and other ignition sources. Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to vapor may cause irritation to the eyes and respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness, and other central nervous system effects. Deliberate misuse by concentrating and inhaling the contents may be harmful or fatal. Vapors are heavier than air and can collect in low areas. **FIRST AID:** In case of eye and skin contact flush with water for 15 minutes. If swallowed, may be harmful or fatal. Do not induce vomiting. If too much is breathed, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. For severe overexposure, call a physician immediately. For additional information, consult MSDS for this product.

KEEP AWAY FROM CHILDREN

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. DO NOT use with ignition in "ON" position. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.
