

Brake Solutions USA Non-Flammable Brake Cleaner

Brake Solutions USA Non-Flammable Brake Cleaner removes grease, brake fluid, oil and other contaminants from brake linings and drums. It can be applied without disassembling the brake unit. **CLEANS AND DEGREASES Brake Linings, Cylinders, Drums, Clutches, Springs, Disc Brake Parts, C.V. Joints, and Other Related Brake Parts.**

DIRECTIONS: Read entire label before use. Follow all directions in numerical order. Spray can in upright position.

1. DO NOT use on polycarbonate plastics such as LEXAN®. If in doubt, call the manufacturer of equipment. **MAY ALSO BE HARMFUL TO OTHER PLASTICS.** 2. Protect all rubber brake parts, plastic and painted surfaces from product and overspray. **DO NOT** spray directly on brake linings. **DO NOT** apply while equipment is energized. 3. Wet down surfaces to be cleaned using short bursts of BRAKLEEN at a distance of 18-24 inches. Avoid breathing any dust or vapors that may become airborne (See inhalation warning). 4. After all surfaces have been wetted, continue spraying BRAKLEEN to remove contaminants. 5. Air dry or wipe with a clean cloth. 6. For heavy deposits; repeat application as necessary. 7. Runoff should be collected and disposed of properly. See disposal statement.

WARNING: Contains Tetrachloroethylene 127-18-4 and Carbon Dioxide 124-38-9. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Do not use this product near open flames, welding operations or excessive heat. Vapors may decompose to harmful or fatal corrosive gases such as hydrogen chloride and possibly phosgene. Overexposure to vapors may cause eye and skin irritation, headaches, nausea, dizziness, irritation to upper respiratory tract and irregular heartbeats. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and will collect in low areas. If ventilation is not adequate, respiratory protection should be used.

DISPOSAL: All used and unused product should be disposed of in accordance with federal, state and local regulations. **DO NOT** dump in sewers, floor drains, on the ground or into any body of water.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, **DO NOT** induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product.

KEEP AWAY FROM CHILDREN

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.

Not for use in California.
