

# SUPER TECH™

## WHITE GREASE

HIGHLY RESISTANT TO  
WATER OR EVAPORATION  
WILL NOT HARDEN OR  
BREAK UNDER PRESSURE  
EXCELLENT FOR LUBRICATING  
CHASSIS, LINKAGES AND  
WINDOW AND DOOR JAMBS

**DANGER:**  
EXTREMELY FLAMMABLE. VAPOR MAY CAUSE  
FLASH FIRE. VAPOR MAY BE HARMFUL IF  
INHALED. HARMFUL OR FATAL IF SWALLOWED.  
CONTENTS UNDER PRESSURE.

Read carefully other precautions on back panel.

11 OZ (312 g)

# SUPER TECH™

**DIRECTIONS FOR USE:** For proper spraying, can should be near room temperature (about 72° F/22° C). Surfaces to be greased should be dry and reasonably free of dirt, old grease and oil, wax, etc. Shake can thoroughly just before use. Remove protective cap. For pinpoint application or to get into hard-to-reach areas, firmly insert extension tube into hole in spray button. Hold can upright, press firmly on spray button, and apply grease where needed.

**PRECAUTIONS** ▲ **DANGER**

**CONTAINS:** Mineral Oil 64741-96-4, Isohexane 107-83-5, n-Hexane 110-54-3, Propane 74-98-6, and Isobutane 75-28-5.

**PHYSICAL HAZARDS:** Product contains liquid and extremely flammable vapor under pressure. Vapor and liquid may flash, burn, or explode if ignited. Cans that short across electrical power circuits may arc, melt, explode, and burn. Vapor is heavier than air and may become concentrated to hazardous levels in low areas. Cans exposed to direct sunlight or otherwise heated above 120° F (49° C) may burst. Product may make walking surfaces slippery, especially when wet.

**SAFE HANDLING PROCEDURES: KEEP CAN OUT OF THE REACH OF CHILDREN.**

Use outdoors or in a well-ventilated area with a constant, abundant supply of fresh air. Do not allow product vapor to accumulate. Prevent vapor build-up by opening doors and windows, or by using an explosion-proof exhaust fan to ensure fresh air exchange during and after use. Do not use, store, or dispose of near sources of heat, flames, sparks, or other hot surfaces. Keep can away from battery terminals. Do not smoke while product vapor is present. Do not get product or overspray on walking surfaces. Do not puncture or incinerate (burn) can. Store can in a cool, dry, well-ventilated area out of direct sunlight. Dispose of in accord with all applicable federal, state, and local regulations.

**HEALTH HAZARDS:** Excessive inhalation of product vapor or decomposed vapor; intentional misuse by concentrating and inhaling vapor; or ingestion of liquid may be harmful or fatal. Overexposure may cause central nervous system depression and/or irritation and damage to nervous system and digestive and respiratory tracts (including lungs). Contact with liquid may defat, dry, and irritate eyes and sensitive skin. **WARNING:** This product contains a chemical known to the State of California to cause cancer.

**HEALTH PROTECTION MEASURES:** Use only in a well-ventilated area with a constant supply of fresh air. Avoid breathing product mist and vapor. If you experience eye watering, headache, or dizziness, increase fresh air, or wear respiratory protection (NIOSH/MSHA TC 23C or equivalent), or leave the area. Do not take internally. Do not get in eyes or on skin or skin-contacting items. Wear chemical goggles (or face shield) and solvent-proof gloves and apron. Wash hands thoroughly with soap and water after using product.

**FIRST AID:** Always get prompt medical attention for ANY ill effects that persist or appear later. If in eyes, IMMEDIATELY flush area thoroughly with water; remove any contact lenses, then hold eyelids open and continue flushing eyes for about 15 minutes. If on skin, IMMEDIATELY remove any contaminated skin-contacting items and wash affected skin with soap and water. If inhaled and overcome, IMMEDIATELY get victim fresh air and medical attention. If breathing is difficult, give oxygen; if stopped, apply artificial respiration.

If swallowed, IMMEDIATELY get medical attention while having victim rinse out mouth with water and drink a glassful of water. Lung aspiration hazard; do NOT induce vomiting without instructions from medical personnel. Do not give anything by mouth to an unconscious person.
