

Contains no 1,1,1-trichloroethane or any other chlorinated solvents.

BRAKE PARTS CLEANER

Spray away grease and oil from off-vehicle metal brake parts only. Do not use on rubber parts or brake pads and linings. Be sure to re-lubricate required areas with the recommended lubricant when parts are reassembled. Do not spray on painted surfaces.

Directions For Application:

1. Remove brake dust using approved techniques.
2. Spray disassembled metal parts liberally.
3. Repeat if necessary.
4. Re-lubricate required areas with the recommended lubricant, per service manual, when parts are reassembled. Do not spray parts after lubricating. Cleaner will remove lubricant.
5. Always test brake system before driving in a normal manner.

DANGER! EXTREMELY FLAMMABLE. CONTENTS UNDER PRESSURE. HARMFUL OR FATAL IF SWALLOWED. VAPORS MAY CAUSE FLASH FIRES. EYE AND SKIN IRRITANT.

Do not puncture or incinerate container. Do not breathe vapors. Use with adequate ventilation. Avoid contact with skin and eyes. Keep away from heat, sparks and open flame. Do not expose to heat or store at temperatures above 120°F(°C). Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal.

CONTAINS: Acetone (67-64-1), heptane isomers (142-82-5), carbon dioxide (124-38-9).

FIRST AID: if swallowed, do not induce vomiting. Call a physician immediately. In case of eye contact, rinse immediately with plenty of water for at least 15 minutes. For skin contact, wash immediately with soap and water. If inhaled, move to fresh air. Seek medical attention if symptoms persist.

WARNING: This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

KEEP OUT OF REACH OF CHILDREN
