SCAQMD COMPLIANT BRAKE CLEANER

DIRECTIONS: Remove brake dust using approved techniques. If desired, attach extension tube for more precise cleaning. Spray disassembled metal parts liberally. Protect rubber brake parts and painted surfaces from product and overspray. Do not apply to hot surfaces or energized systems. Repeat if necessary. Allow parts to dry. Re-lubricate required areas with recommended lubricant per Service Manual when parts are re-assembled. Do not spray parts after lubricating-cleaner will remove lubricant. Always test brake system before driving in a normal manner.

CAUTION: Keep away from heat, sparks and open flame. Avoid contact with eyes and skin. Do not swallow. Use only in well-ventilated areas. Do not breathe fumes or vapors. Do not puncture or incinerate this container. Intentional misuse by deliberate concentration and inhalation of this product may be harmful or fatal. Store in well ventilated area. Do not store above 120°F (49°C). Do not store near sources of heat, or in direct sunlight. This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Keep out of reach of children.

FIRST AID: In case of eye contact, immediately flush eyes with water for at least 15 minutes. In case of skin contact, wash affected area with mild soap and water. Remove contaminated clothing and laundry before reuse. If swallowed, contact physician immediately. Do NOT induce vomiting unless directed to do so by medical personnel. If inhaled, remove to fresh air. In all cases, if symptoms develop or persist, seek medical attention.

INGREDIENTS: Acetone (67-64-1); Toluene (108-88-3); Carbon Dioxide(124-38-9).
