GLASS CLEANER

DIRECTIONS: Use product at, or near, room temperature. Vigorously shake can prior to use and periodically during use. Holding can 6 to 8 inches away from surface to be cleaned, spray surface using a long sweeping motion. Allow foam to work for 10 to 30 seconds for light cleaning and 30 to 60 seconds for heavy cleaning. Wipe clear using a lint free cloth, sponge, or paper towel. Safe to use on factory installed tinted glass. Caution: Consult with tint manufacturer/installer before using this product on glass surfaces with an after-market tinting product.

WARNING: Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 49°C/120°F. Do not place in direct sunlight or near any heat source. Avoid continuous breathing of vapor and spray mist. Avoid contact with eyes. Overexposure to liquid or vapors can cause temporary eye irritation, irritation to upper respiratory tract or headache. This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. If you experience any symptoms listed on this label, increase ventilation or leave the area. Keep out of reach of children.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, DO NOT induce vomiting. For severe overexposure, call physician immediately. For additional information, consult SDS for this product.
