Lectra Clean® Heavy Duty Energized Electrical Parts Degreaser

Designed to clean electrical equipment where cleaning is accomplished when electrical current exists, or when there is a residual electrical potential from a component. • Helps prevent current leakage and excessive resistance by removing grease, oil, wax, dirt, moisture and other contaminants. • Improves equipment performance by removing contaminants that lower operating efficiency. • Chemically stable, no flash or fire point, non-conducting, non-staining and non-corrosive. • Leaves no residue.

DIRECTIONS: Read entire label before using this product.

MAY BE HARMFUL TO SOME SENSITIVE PLASTICS. DO NOT USE ON POLYCARBONATE PLASTICS. If in doubt call the manufacturer of the equipment. DO NOT USE ON SENSITIVE ELECTRONIC EQUIPMENT. USE ONE OF CRC'S PRECISION CLEANING PRODUCTS.

ELECTRICAL EQUIPMENT CLEANING: Use caution around energized equipment. Remove protective cover plates where possible. Spray contaminated areas and allow a few minutes to penetrate and loosen grease and oil related soil. Repeat application until area is clean and dry.

VOC Category: Energized Electrical Cleaner.

Energized equipment use only. Not to be used for motorized vehicle maintenance or their parts.

Danger: Causes skin irritation. May cause an allergic skin reaction. Causes eye irritation. May cause drowsiness or dizziness. May cause cancer.

Precautionary Statements: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying.

If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid breathing mist or vapor. When exposed to extreme heat or hot surfaces, vapors may decompose to harmful or fatal corrosive gases such as hydrogen fluoride, hydrogen chloride, and possibly phosgene. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves/protective clothing/eye protection/face protection. Store in a well-ventilated place. Do not store container above 100 °F/38 °C. Keep container tightly closed. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations.

First Aid: If on skin: Wash with plenty of water. If skin irritation or rash occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If exposed or concerned: Get medical advice/attention.

Contains tetrachloroethylene 127-18-4, and decafluoropentane 138495-42-8. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
