Nonfood Compounds Program
Listed: H1 #11206

Electrical Silicone Lubricant

No. 02097
Item# 1003203

NET WEIGHT 302 lb (136 kg)

DANGER

Highly flammable liquid and vapor. May be fatal if swallowed and enters airways.
Causes skin irritation. Causes eye irritation. May cause drowsiness or dizziness.
Suspected of damaging fertility or the unborn child.

PRECAUTIONARY STATEMENTS

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Use only with adequate ventilation; maintain ventilation during use and until all vapors are gone. Open doors and windows or use other means to ensure fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid breathing mist/vapor. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Keep cool. Do not store container above 100 °F/38 °C. Store in a well-ventilated place. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations. In case of fire: Do not use water jet as an extinguisher, as this will spread the fire.

FIRST AID

If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical advice/attention. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If exposed or concerned: Get medical advice/attention.

Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death.

For additional information, consult SDS for this product.

Do not apply while equipment is energized.

- Specially formulated to lubricate, waterproof and protect electrical components
- Odorless, colorless, non-staining film provides superior lubricity for metal and non-metal surfaces
- Low surface tension permits deeper penetration and extended surface coverage
- Clings firmly to surfaces, minimizing run-off

Contains hydrotreated light naphtha 64742-49-0, 2-methylpentane 107-83-5, n-hexane 110-54-3, and polydimethylsiloxane 63148-62-9.
