CRC Cable Clean® RD™

- RAPID DRYING, high performance, high voltage splice and termination cleaner.
- QUICKLY REMOVES grease, oil, dirt, silicone and lubricants from the semi-conductive jackets and insulations of high voltage cables.
- NON-FLAMMABLE, chemically stable, non-conductive, non-corrosive and non-staining.
- EVAPORATES RAPIDLY without residue.
- HELPS PREVENT potentially hazardous current leakage, excessive resistance, reduced performance and arcing at splice and termination junctions.

DIRECTIONS: Read entire label before using this product.

1. Do not apply while equipment is energized.
2. Apply CABLE CLEAN RD onto a lint-free cloth.
3. Wipe prepared cable with a stroking motion to clean. NOTE: Although CABLE CLEAN RD evaporates rapidly, CRC recommends wiping the cable after product application as per IEEE procedures.
4. Use an abrasive on surfaces with heavy contaminants.
5. Avoid overuse.
6. Do not use on modern, polycarbonate plastics. If uncertain, check with the manufacturer or test on a small area before using.

Danger: Causes skin irritation. Causes serious eye irritation. May cause drowsiness or dizziness. May cause cancer. May damage fertility or the unborn child. May cause damage to organs (kidney, liver, nervous system) through prolonged or repeated exposure.

Precautionary Statements: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Do not breathe mist or vapor. When exposed to extreme heat or hot surfaces, vapors may decompose to harmful or fatal corrosive gases such as hydrogen bromide, hydrogen chloride, and possibly phosgene. Wear protective gloves/protective clothing/eye protection/face protection. Wash thoroughly after handling. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Do not store container above 100 °F/38 °C. Dispose of contents/container in accordance with local/regional/national regulations.

First Aid: If on skin: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If exposed or concerned: Get medical advice/attention.

Contains tetrachloroethylene 127-18-4 and n-propyl bromide 106-94-5. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product

Not for use in California.
