**No. 03111**

**Net Contents:**  
**1 gal (3.78 L)**

# CRC® Super Degreaser™

• ADVANCED TECHNOLOGY, high performance, industrial strength cleaner • NON-CHLORINATED • QUICKLY dissolves and removes grease, oil and sludge • EVAPORATES rapidly and leaves no residue • HELPS INCREASE equipment life by removing efficiency-robbing foreign materials • NON-CORROSIVE, chemically stable and non-conductive • NO FLASH or fire point

**DIRECTIONS:** *Read entire label before using this product.*

**For personal safety, do not apply while equipment is energized.** Do not use on modern plastics. If uncertain, check with the manufacturer or test on a small area before using. Not for use on sensitive electronics. Use a CRC precision cleaner.

**METAL PARTS CLEANING:** Wipe or spray on contaminated areas and allow a few minutes to penetrate and loosen grease and oil-related soil. Repeat application until area is clean and dry.

**POROUS MATERIAL CLEANING:** Apply to clutch lining, wood or other porous materials. Repeat if necessary.

**DIP TANK APPLICATIONS:** Immerse and agitate parts or assemblies until clean and dry.

**NOTE:** Limit immersion time to 3 minutes or less for painted surfaces, insulating materials, plastics or rubber parts.

**Danger:** Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. May cause drowsiness or dizziness. Suspected of causing cancer. May damage fertility or the unborn child. May cause damage to organs (kidney, liver, nervous system) through prolonged or repeated exposure.

**Precautionary Statements:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Do not breathe mist or vapor. Wear protective gloves/protective clothing/eye protection/face protection. Wash thoroughly after handling. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Do not store container above 100 °F/38 °C. When exposed to extreme heat or hot surfaces, vapors may decompose to harmful or fatal corrosive gases such as hydrogen bromide. Dispose of contents/container in accordance with local/regional/national regulations.

**First Aid:** If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If exposed or concerned: Get medical attention.

Contains n-propyl bromide 106-94-5, butylene oxide 106-88-7, and t-butanol 75-65-0. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.

**NOT FOR RETAIL SALE. FOR USE IN THE MANUFACTURING PROCESS ONLY.**
