Danger

Highly flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. Causes serious eye irritation. May cause drowsiness or dizziness.

Precautionary Statements

Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Use only with adequate ventilation; maintain ventilation during use and until all vapors are gone. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid breathing mist or vapor. Wash thoroughly after handling. Wear protective gloves/eye protection/face protection. Keep cool. Do not store container above 100 °F/38 °C. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations. In case of fire: Do not use water jet as an extinguisher, as this will spread the fire.

First Aid

If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical advice/attention. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Contains acetone 67-64-1, heptanes 142-82-5, 589-34-4, 591-76-4, 617-78-7, 562-49-2, and methylcyclohexane 108-87-2. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.

DIRECTIONS: *Read entire label before using this product.*

1. DO NOT apply while equipment is energized or on hot surfaces.
2. Protect all rubber brake parts, plastic parts, rims, and painted surfaces from product and overspray.
3. Wet down surfaces to be cleaned using short bursts of BRAKLEEN. Avoid breathing any dust or vapors that may become airborne. (See Inhalation warning below)
4. After all surfaces have been wetted, continue applying BRAKLEEN to remove contaminants.
5. Air dry or wipe with a clean cloth.
6. For heavy deposits, repeat application as necessary.
7. Runoff Should be collected and disposed of properly. (See disposal statement)
8. Professional users should consult SDS and follow all applicable OSHA regulations.
