No. 05091  
Item# 1003714

**67.5 lb (30.6 kg)**

## CRC Brākleen® Brake Parts Cleaner

No. 05091  
Item# 1003714

**67.5 lb (30.6 kg)**

**Danger**

Causes skin irritation. May cause an allergic skin reaction. Causes eye irritation. May cause drowsiness or dizziness. May cause cancer.

**Precautionary Statements**

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid breathing mist or vapor. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves/protective clothing/eye protection/face protection. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Do not store container above 100 °F/38 °C. When exposed to extreme heat or hot surfaces, vapors may decompose to harmful or fatal corrosive gases such as hydrogen chloride and possibly phosgene. Dispose of contents/container in accordance with local/regional/national regulations.

**First Aid**

If on skin: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If exposed or concerned: Get medical advice/attention.

Contains tetrachloroethylene 127-18-4.

Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.

**DIRECTIONS: Read entire label before using this product.**

1. DO NOT apply while equipment is energized or on hot surfaces.
2. Protect all rubber brake parts, plastic parts, rims and painted surfaces from product and overspray.
3. Wet down surfaces to be cleaned using short bursts of BRAKLEEN at a distance of 18-24 inches. Avoid breathing any dust or vapors that may become airborne. (See inhalation warning below)
4. After all surfaces have been wetted, continue spraying BRAKLEEN to remove contaminants.
5. Air dry or wipe with a clean cloth.
6. For heavy deposits, repeat application as necessary.
7. Runoff should be collected and disposed of properly. (See disposal statement below)
8. Professional users should consult SDS and follow all applicable OSHA regulations.

Not for use in California and New Jersey.
