FUEL THERAPY® Diesel Injector Cleaner Plus

Para obtener información adicional en Español, visite www.crcindustries.com.

Emissions reducing formula rated "SUPERIOR" in Cummins L-10 test for injector cleanliness. Exceeds CSCA requirements for Peugeot XUD-9 injector cleanliness.

- Stabilizes Fuel • Reduces Emissions • Lubricates Fuel • Increases MPG
- Prevents Corrosion • Maintains Cetane Rating • Increases Power • Reduces Black Smoke

This product complies with the federal ultra-low sulfur content requirements for use in all diesel motor vehicles and non-road engines. CRC DIESEL Fuel Therapy® is non-corrosive and contains no alcohol. Compatible with all diesel fuels. OK for biodiesel.

DIRECTIONS: Read entire label before using this product.

For preventive maintenance and biodiesel fuels: This container is sufficient to treat up to 35 gallons of diesel fuel. **For pre-existing conditions:** Use 2 bottles to each 35 gallons of fuel. Pour into fuel tank and operate normally. For cold conditions, use CRC DIESEL FUEL THERAPY with Anti-Gel (No. 05412 / Item# 1003806). For anticipated extreme conditions, add CRC DIESEL Cold Flow™ Anti-Gel with Lubricity (No. 05612 / Item# 1003830) to fuel prior to temperature drop.

Contains petroleum distillates/naphtha 64742-80-9, 64742-47-8, 64742-48-9.

DANGER: Product is combustible and should be kept from heat, open flames, and ignition sources. Do not store container above 100 °F/ 38 °C. Avoid breathing vapor and contact with skin and eyes. Exposure can cause irritation to eyes, skin, and respiratory tract, headache or dizziness. Product may pose an aspiration hazard if swallowed. Use with adequate ventilation. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, immediately call your poison control center at 1-800-222-1222. **DISPOSAL:** All used and unused product should be disposed of in conformance with regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water. **KEEP AWAY FROM CHILDREN**
