

Friction Guard® for Oil

Para obtener información adicional en Español, visite www.crcindustries.com.

Renew Compression • Fight Deposits • Increase Fuel Economy

CRC Friction Guard® for Oil is a concentrated friction reducer allowing pistons to move freely inside the combustion chamber. It reduces wear and scoring on cylinder walls and prevents compression leaks. Enhanced with anti-wear and anti-corrosion additives, detergents and seal conditioners, CRC FRICTION GUARD FOR OIL increases MPG, cleans sludge and varnish buildup, improves deposit control, helps rejuvenate seals and reduces oil consumption and emissions.

Fortifies engine oil to fight breakdown and withstand the extreme heat of GDI engines. Compatible with all types of conventional and synthetic motor oils. For use in gasoline & diesel engines.

DIRECTIONS: Read entire label before using this product.

1. With motor off and cool, pour entire contents into engine oil. Do not overfill. Treats up to 5 quarts of engine oil.
2. For best results install after every oil change.

Contains petroleum distillates/naphtha 64742-54-7, 64742-55-8, 64742-65-0, 64742-56-9, 64742-94-5, 2-ethylhexanol 104-76-7, ethoxylated amine 61791-44-4, and heterocyclic ether 18760-44-6.

DANGER: Contact with liquid can cause irritation to eyes or skin. Vapors may cause headache or dizziness. Product may pose an aspiration hazard if swallowed. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use in a well ventilated area. Do not store container above 100 °F/ 38 °C.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, call your poison control center at 1-800-222-1222.

DISPOSAL: All used and unused product should be disposed of in conformance with regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water.

ELECTRICAL SHOCK HAZARD: This metal can will conduct electricity. Keep away from all live electrical sources. Failure to observe this warning may result in serious injury and/or flash fire.

Friction Guard® For Oil

Engine Friction Reducer

REDUCTOR DE FRICCIÓN
PARA EL ACEITE DE MOTOR

Inhibits Deposits in GDI Engines

Increases MPG
Anti-Wear • Anti-Corrosion

DANGER: HARMFUL OR FATAL IF
SWALLOWED, EYE AND SKIN IRRITANT.
READ WARNINGS ON BACK PANEL.

6 fl oz (177 mL)

No. 05818
Item# 1003865

PLEASE RECYCLE
WHEN EMPTY
