White Lithium Grease

Para obtener información adicional en Español, visite www.crcindustries.com.

Lubricates gear shift mechanisms, steering parts, hinges, latches, distributor cams, cables, tracks, fishing reels, throttle linkage, winch gears, finger gears, windows, bearings and trailer balls. Lubricates riggings, machinery, mechanical parts, tools, and equipment in the shop and on the boat.

DIRECTIONS: Read entire label before using this product.

1. Do not apply while equipment is energized or on hot surfaces.
2. Shake well before use.
3. Clean area to be lubricated.
4. Spray in light, even coats.
5. Use extension tube for hard-to-reach areas.

Contains hydrocarbon propellant 68476-86-8, isohexane 64742-49-0, 107-83-5, 110-54-3, 75-83-2, 79-29-8, 96-14-0, petroleum distillates 64742-52-5, and calcium salt 57855-77-3.

DANGER: Contents extremely flammable. Do not smoke while spraying. Extinguish all flames, pilot lights, and heaters. Do not apply while equipment is energized. Vapors will accumulate readily and may ignite. Maintain ventilation during use and until vapors are gone. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F/49°C. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Avoid breathing vapor. Avoid contact with skin and eyes. Exposure can cause skin irritation, eye irritation, upper respiratory tract irritation, headache, dizziness, or drowsiness. Product may pose an aspiration hazard if swallowed. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area.

FIRST AID: In case of skin or eye contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, call your poison control center at 1-800-222-1222.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state, and federal regulations. Do not dump in sewers, on the ground, or into any body of water.

ELECTRICAL SHOCK HAZARD: This metal can will conduct electricity. Keep away from all live electrical sources. Failure to observe this warning may result in serious injury and/or flash fire.
