CRC MARINE FUEL STABILIZER Gasoline Formula

Para obtener información adicional en Español, visite www.crcindustries.com.

Preserves stored fuel up to 12 months. Concentrated, high-potency formula keeps stored gasoline fresh for easy starting next season and optimum performance year-round. Protects against gum and resin build-up to prevent clogged injectors, filters and fuel lines. Protects internal engine components and fuel system from corrosion. No messy draining of fuel or fire hazard. For all 2 and 4 cycle engines.

DIRECTIONS: *Read entire label before using this product.*

Add 1 oz. Stabilizer for every 5 gallons of gasoline. Run engine for 5-10 minutes to allow treated fuel to run through fuel system and engine.

TO REDUCE THE IMPACT OF ETHANOL-BLENDED GAS: ADD CRC MARINE FUEL STABILIZER WITH EVERY TANK FILL-UP.

Contains petroleum distillates 64742-52-5, 64742-47-8, xylene 1330-20-7, ethylbenzene 100-41-4, and hydroxyethylated aminoethylamide.

DANGER: Product is combustible and should be kept from heat, open flames and other ignition sources. Do not store container above 100 °F/ 38 °C. Do not contact with eyes and skin. Exposure can cause chemical burns or an allergic skin reaction. Product may pose an aspiration hazard if swallowed. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. Call physician immediately. If swallowed, immediately call your poison control center at 1-800-222-1222.

DISPOSAL: All used and unused product should be disposed of in conformance with applicable regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water. **KEEP AWAY FROM CHILDREN**
