12 fl oz (354 mL) No. 05061AP

Fuel Injector Cleaner

Cleans injector deposits, carburetor, intake system, valves, ports and fuel lines. Disperses water. Improves fuel atomization. Controls knock caused by deposits. Controls engine's demands for higher octane fuels. Safe for leaded and unleaded fuel. Will not harm catalytic converters or oxygen sensors.

DIRECTIONS: *Read entire label before using this product.*

1. Add entire contents of one 12 oz. bottle to fuel tank (treats 12 gallons) and fill with fuel.
2. Use regularly to maintain engine cleanliness.
3. For existing deposit problems, initially use 2 containers per 12 gallons of fuel.

Contains petroleum distillates 64742-80-9, 64742-47-8, 64742-46-7.

DANGER: Product is combustible and should be kept from heat, open flames and other ignition sources. Product may pose an aspiration hazard if swallowed. Avoid breathing of vapor or contact with skin. Overexposure can cause irritation to skin and upper respiratory tract, headache or dizziness. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Do not store container above 100 °F/38 °C. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, call your poison control center at 1-800-222-1222. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water.
