No. 14401
Item# 1004949

Net Contents:
1 qt (946 mL)

CRC HydroForce®

Butyl-Free All Purpose Cleaner

Para obtener información adicional en Español, visite www.crcindustries.com.

HYDROFORCE Butyl-Free All Purpose Cleaner unites the power of HYDROFORCE with the everyday sensibility of a butyl-free cleaner. Using a CRC exclusive formula, HYDROFORCE is versatile and safe enough to use daily for all your routine cleaning tasks. Yet HYDROFORCE is strong enough to attack and remove tough dirt, dust and grime deposits. In fact, HYDROFORCE Butyl-Free approaches the cleaning performance of many aqueous cleaners containing butyl. This, combined with HYDROFORCE's lack of phosphates, ammonia or bleach, make it the sensible choice for use every day.

HYDROFORCE Butyl-Free All Purpose Cleaner is: • Concentrated • Non-Abrasive • Safe on Most Plastics • Non-Flammable • Industrial Strength • Non-Ozone Depleting • Floor Wax Safe • Perfect for Hand-Held Pressure Washers & Industrial High Pressure Parts Washers • Perfect for Work Stations, Counters, Walls, Floors, Non-Porous Surfaces & Tough Stains on Fabrics.

DIRECTIONS: *Read entire label before using this product. Do not apply while equipment is energized.* Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity. Soak, pre-wash or apply directly to pre-tested surface. Allow HYDROFORCE to penetrate the soil. Wipe or rinse clean with water or a damp sponge. FOR HEAVY DUTY DEGREASING AND HEAVILY SOILED ITEMS: CRC recommends the use of HYDROFORCE Industrial Strength Degreaser or HYDROFORCE All Purpose Degreaser.

Danger: Causes skin irritation. Causes serious eye damage.

Precautionary Statements: Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Wash thoroughly after handling. Wear protective gloves and eye/face protection. Store away from incompatible materials. Do not store container below 32 °F/0 °C. Dispose of contents/container in accordance with local/regional/national regulations.

First Aid: If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.

Contains water 7732-18-5, sodium xylenesulfonate 1330-72-7, dipropylene glycol monopropyl ether 29911-27-1, ethoxylated propoxylated alcohols 68603-25-8, dioctyl sodium sulfosinate 577-11-7, propylene glycol 57-55-6, tetrasodium ethylenediaminetetraacetate 64-02-8, and sodium metasilicate 6834-92-0. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
