HYDROFORCE Butyl-Free All Purpose Cleaner unites the power of HYDROFORCE with the everyday sensibility of a butyl-free cleaner. Using a CRC exclusive formula, HYDROFORCE is versatile and safe enough to use daily for all your routine cleaning tasks. Yet HYDROFORCE is strong enough to attack and remove tough dirt, dust and grime deposits. In fact, HYDROFORCE Butyl-Free approaches the cleaning performance of many aqueous cleaners containing butyl. This, combined with HYDROFORCE's lack of phosphates, ammonia or bleach, make it the sensible choice for use every day.

HYDROFORCE Butyl-Free All Purpose Cleaner is: • Concentrated • Non-Abrasive • Safe On Most Plastics • Non-Flammable • Industrial Strength • Non-Ozone Depleting • Floor Wax Safe • Perfect For Hand-Held Pressure Washers & Industrial High Pressure Parts Washers • Perfect For Work Stations, Counters, Walls, Floors, Non-Porous Surfaces & Tough Stains On Fabrics.

DIRECTIONS: ***Read entire label before using this product.***
Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity. Soak, pre-wash, sponge or apply directly to pre-tested surface. Allow HYDROFORCE to penetrate the soil. Wipe or rinse clean with water or a damp sponge. FOR HEAVY DUTY DEGREASING AND HEAVILY SOILED ITEMS: CRC recommends the use of HYDROFORCE Industrial Strength Degreaser or HYDROFORCE All Purpose Degreaser.
