

HYDRO **FORCE**[®]

Industrial Strength Degreaser

Solvent Strength Formula

Dissolves Oil, Dirt & Grease Fast, Cleans Concrete

Ready-To-Use Formula

Nonfood Compounds Program Listed
Category Code: C1 Reg.# 136912

No. 14415

Item# 1004970

DANGER: CAUSES BURNS TO SKIN
AND EYES. HARMFUL IF SWALLOWED OR
INHALED. KEEP AWAY FROM CHILDREN.
Read warnings on back panel.

**Net Contents:
1 qt (946 mL)**

HydroForce®

Industrial Strength Degreaser

Para obtener información adicional en Español, visite www.crcindustries.com.

CRC HYDROFORCE Industrial Strength Degreaser seeks out grease and annihilates it like no other aqueous-based cleaner. Using a CRC exclusive formula, HYDROFORCE approaches the cleaning performance formerly reserved for traditional solvent-based degreasers. Upon contact, HYDROFORCE instantly begins to break-up and lift-off heavy deposits of grease, oil and dirt.

CRC HYDROFORCE Industrial Strength Degreaser is: • Non-Abrasive • Non-Flammable • Non-Ozone Depleting • Safe on Most Plastics • Low Foaming • Perfect for Hand-Held Pressure Washers & Industrial High Pressure Parts Washers, Machinery, Motors, Concrete and Non-Porous Surfaces

DIRECTIONS: *Read entire label before using this product.* Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity. Soak, pre-wash or apply directly to pre-tested surface. Allow HYDROFORCE to penetrate the soil. Wipe or rinse clean with water or a damp sponge. **FOR HEAVILY SOILED ITEMS:** remove excess debris using a scraper or wire brush prior to applying product. Note: Avoid use on painted surfaces, soft metals (such as aluminum and copper) and glass. Do not allow to dry on any surface without wiping or rinsing thoroughly.

Danger: May be corrosive to metals. Causes severe skin burns and eye damage. Harmful if inhaled. Causes damage to organs (gastrointestinal system, respiratory system). May cause damage to organs (respiratory system) through prolonged or repeated exposure by inhalation.

Precautionary Statements: Keep only in original container. Do not breathe mist or vapor. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye protection/face protection. Store locked up. Do not store container below 32 °F/0 °C. Dispose of contents/container in accordance with local/regional/national regulations. Absorb spillage to prevent material damage.

First Aid: If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center/doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor. If exposed: Call a poison center/doctor.

Contains water 7732-18-5, sodium xylenesulphonate 1300-72-7, C12-15 ethoxylated alcohols 68131-39-5, dioctyl sodium sulfosuccinate 577-11-7, dipropylene glycol monomethyl ether 34590-94-8, potassium hydroxide 1310-58-3, sodium metasilicate 6834-92-0, and tetrasodium EDTA 64-02-8. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.

Not for use in California.
