## **DIRECTIONS FOR USE**

*It is a violation of Federal law to use this product in a manner inconsistent with its labeling.*

***Read and follow all label directions.***

Follow these guidelines when applying CRC Long-Lasting Insect Repellent:

Shake well before use. Apply thoroughly to the skin avoiding contact with eyes and mouth. Hold 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin with a slow sweeping motion. Excessive amounts or frequent reapplication is unnecessary. Do not exceed two applications per day. Apply on face by first spraying small amounts in palms of hands and spreading on face and neck, avoiding your eyes. Do not apply to the hands of small children. When using on children, apply to your hands and then apply it to the child. To apply to a child's face and neck, spray the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product. Do not spray directly on face. Avoid contact with lips, cuts, wounds, or irritated skin. Do not apply to excessively sunburned skin. Do not apply under clothing. Apply sparingly around ears.

## **PRECAUTIONARY STATEMENTS**

### **HAZARDS TO HUMANS**

Causes moderate eye irritation. Avoid contact with eyes. Wash your hands with soap and water after handling, returning indoors, and before eating, drinking and chewing gum, using tobacco or using the toilet.
