Grease Away

Para obtener información adicional en Español, visite www.crcindustries.com.

MARYKATE Grease Away is a heavy duty, non-flammable engine degreaser formulated for inboards, outboards and sterndrives. Grease Away's water-based formula contains no petroleum solvents or phosphates commonly used in other degreasers.

DIRECTIONS: *Read entire label before using this product.*

Do not use on aluminum or painted surfaces without first testing on an inconspicuous area for colorfastness and surface integrity. Do not use on glass. Be sure that all areas are cool to the touch. Do not use in temperatures over 100°F or in direct sunlight. Spray directly on area to be cleaned and allow a few minutes for product to penetrate. Brush and reapply if necessary. Never allow Grease Away to dry onto the engine. Thoroughly rinse. Collect and dispose of rinsate in accordance with local, state and federal laws and regulations.

Contains water 7732-18-5, sodium xylenesulphonate 1300-72-7, dipropylene glycol monopropyl ether 29911-27-1, ethoxylated alcohols 68603-25-8, dioctyl sodium sulfosuccinate 577-11-7, potassium hydroxide 1310-58-3, sodium metasilicate 6834-92-0, and tetrasodium EDTA 64-02-8.

DANGER: Avoid breathing vapors. Use outside or in area with adequate ventilation. Do not contact with skin and eyes. Exposure can cause damage to eyes, skin, gastrointestinal system, or respiratory tract. Use rubber gloves and eye protection. Wash thoroughly after handling. Do not store container below 32 °F/0 °C.

FIRST AID: In case of eye or skin contact, flush with water for at least 15 minutes. For severe burns, call physician immediately. If swallowed, call your poison control center at 1-800-222-1222. If too much is breathed, remove to fresh air.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state, and federal regulations. Do NOT dump in sewers, floor drains, on the ground or into any body of water.

KEEP AWAY FROM CHILDREN
