Black Streak Remover

Para obtener información adicional en Español, visite www.crcindustries.com.

MARYKATE Black Streak Remover instantly removes black streaks caused by water run-off on fiberglass and metal. Commercial grade formula is fast and effective. No scrub/no fuss, just spray on and wipe off.

DIRECTIONS: *Read entire label before using this product.*

Spray on soiled area. Wipe clean with clean cloth, paper towel, or sponge. When cleaning large areas, work from bottom up. Use on fiberglass, cabinets, countertops, stainless steel, chrome and brass, bumpers, and vinyl (rinse vinyl surfaces after use). Also excellent for head and galley fixtures including stoves, refrigerators and sinks. Test first on painted surfaces. Not recommended for glass, aluminum, or non-urethane finishes. If accidentally applied to these surfaces, immediately rinse area thoroughly and wipe dry.

Contains water 7732-18-5, sodium xylenesulphonate 1330-72-7, dipropylene glycol monopropyl ether 29911-27-1, ethoxylated propoxylated alcohols 68603-25-8, dioctyl sodium sulfosuccinate 577-11-7, and tetrasodium EDTA 64-02-8.

DANGER: Do not get in eyes. Contact with eyes can cause corneal damage. Avoid contact with skin. Use rubber gloves and eye protection. Wash thoroughly after handling. Avoid breathing vapors. Use outside or in area with adequate ventilation. Do not store container below 32 °F/0 °C.

FIRST AID: In case of skin contact, wash with plenty of water. For severe irritation, call a physician. In case of eye contact, flush with water for at least 15 minutes. Immediately call a physician. If swallowed, call your poison control center at 1-800-222-1222. If too much is breathed, remove to fresh air.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water.

KEEP AWAY FROM CHILDREN
