White Lithium Grease

Para obtener información adicional en Español, visite www.crcindustries.com.

NAPA/CRC White Lithium Grease is a high quality, multi-purpose grease for automotive, shop and home use. It provides long lasting lubrication with excellent water and heat resistance and film strength. White Lithium Grease gives superior performance in any weather or temperature. Ideal for all metal to metal lubrication.

Lubricates brake and gear shift mechanisms, steering parts, hinges, latches, distributor cams, speedometer cables, seat tracks, ash tray guides, antennas, sprockets and chains, water pumps and garage door channels. Break-in lubrication for bearings, etc. Lubricates machines, tools, equipment in the shop, on the farm and in the home.

DIRECTIONS: *Read entire label before using this product.*

1. For personal safety, do not apply while equipment is energized or on hot surfaces. 2. Shake well before use. 3. Clean area to be lubricated. 4. Spray in light, even coats. 5. Use extension tube for hard-to-reach areas.

Contains hydrocarbon propellant 68476-86-8, isohexane 64742-49-0, 107-83-5, 110-54-3, petroleum distillates 64742-52-5, zinc oxide 1314-13-2, calcium salt 57855-77-3, and titanium dioxide 13463-67-7.

DANGER: Contents extremely flammable. Do not smoke while spraying. Extinguish all flames, pilot lights, and heaters. Do not apply while equipment is energized. Vapors will accumulate readily and may ignite. Maintain ventilation during use and until vapors are gone. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F/49°C. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Avoid breathing mist or vapor. Avoid contact with skin and eyes. Exposure can cause skin irritation, eye irritation, allergic skin reaction, respiratory tract irritation, headache, dizziness, or drowsiness. Product may pose an aspiration hazard if swallowed. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area.

FIRST AID: In case of skin or eye contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, call your poison control center at 1-800-222-1222.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state, and federal regulations. Do not dump in sewers, on the ground, or into any body of water.

ELECTRICAL SHOCK HAZARD: This metal can will conduct electricity. Keep away from all live electrical sources. Failure to observe this warning may result in serious injury and/or flash fire.
