

WARNING: Contains Isohexane 107-83-5, Petroleum Distillate 64742-48-9, Methanol 67-56-1 and n-Hexane 110-54-3. Harmful or fatal if swallowed. Progressively higher exposure to vapor may cause irritation to eyes, respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness and other central nervous system effects. Product is extremely flammable and should be kept from all flames and other ignition sources. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and can collect in low areas.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, do not induce vomiting. If too much is breathed, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. For severe overexposure, call a physician immediately.

HANDLING AND SPILL PRECAUTIONS: Keep container closed. Wash thoroughly after handling. Do not enter where vapors are suspected in high concentration, unless air supplied positive pressure breathing apparatus is used and a trained observer is present and equipped with rescue gear. Vapors of this product may develop a flammable atmosphere in contact with flames, sparks or ignition sources. Do not cut or weld containers due to explosion hazard. FOR SPILLS, use proper protective equipment. Take precautions as necessary to prevent contamination of ground or surface water. For small spills, use absorbent and sweep into closed containers for disposal. For large spills, evacuate the area, dike and transfer into containers for disposal.

DISPOSAL: Unused contents and containers must be disposed of in accordance with all federal, state and local regulations. Empty containers may be offered to a qualified reconditioner. Unused contents may be offered to a licensed recycler. DO NOT DUMP IN SEWERS, ON THE GROUND OR INTO ANY BODY OF WATER.

For additional information, consult the Material Safety Data Sheet for this product.

KEEP AWAY FROM CHILDREN

SPECIAL USAGE WARNINGS:

- Contents extremely flammable.
- Do not smoke while spraying.
- Extinguish all flames pilot lights, and heaters.
- Do not spray on energized electrical equipment
- Vapors will accumulate readily and may ignite.

Use only with adequate ventilation; maintain ventilation during use and until vapors are gone.

Quick Dry Precision Cleaner

MEETS BOEING D6-17487
MEETS McDONNELL DOUGLAS CSD #1
SAFE FOR USE ON PLASTICS
NO RINSING, NO RESIDUE

Contents:

5 gal. (18.9 L)
No. 10342

CRC Quick Dry
Precision Cleaner

- Meets Boeing D6-17487
- Meets McDonnell Douglas CSD#1
- Safe for use on plastics, no rinsing, no residue
- Quick Drying formula leaves no residue and allows earlier restart of equipment, lowering downtime

DIRECTIONS:

Read entire label before using this product.

1. Apply until clean.
2. Use an abrasive on surfaces with heavy carbon deposits or corrosion.
3. Remove residue by brushing or spraying before reactivating system.
4. Allow to dry thoroughly and vent before reactivating system.
5. Periodic planned maintenance prolongs the life expectancy of components and helps eliminate the formation of corrosion or carbon deposits that can cause leakage.
6. Do not apply while equipment is energized.
