HydroForce® Industrial Strength Degreaser

Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite crcindustries.com.

CRC HydroForce® Industrial Strength Degreaser seeks out grease and annihilates it like no other aqueous-based cleaner. Using a CRC exclusive formula, HydroForce® approaches the cleaning performance formerly reserved for traditional solvent-based degreasers. Upon contact, HydroForce® instantly begins to break-up and lift-off heavy deposits of grease, oil and dirt.

CRC HydroForce® Industrial Strength Degreaser is:

• Concentrated • Non-Abrasive • Non-Flammable • Non-Ozone Depleting • Safe On Most Plastics • Low Foaming • Perfect For Hand-Held Pressure Washers & Industrial High Pressure Parts Washers, and Machinery, Motors, Concrete & Non-Porous Surfaces.

DIRECTIONS: Read entire label before using this product.

Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity. Soak, pre-wash or apply directly to pre-tested surface. Allow HydroForce® to penetrate the soil. Wipe or rinse clean with water or a damp sponge. FOR HEAVILY SOILED ITEMS: Remove excess debris using a scraper or wire brush prior to applying product.

Use Full Strength or Dilute with Water

Dilution Rates:	Water : HydroForce®
General Purpose	10 : 1
Pressure Washers	50 : 1

Danger: May be corrosive to metals. Causes severe skin burns and eye damage. Harmful if inhaled.

Precautionary Statements: Do not breathe vapor. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Absorb spillage to prevent material damage. Do not store container below 32 °F/0 °C. Store locked up. Store in corrosive resistant container. Dispose of contents/container in accordance with local/regional/national regulations.

First Aid: If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center/doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.

Contains Water (7732-18-5), Tripropyleneglycol methyl ether (25498-49-1), C12-15 Ethoxylated alcohols (68131-39-5), Dioctyl sodium sulfosuccinate (577-11-7), Dipropylene glycol monomethyl ether (34590-94-8), Potassium hydroxide (1310-58-3), Propylene glycol (57-55-6), Sodium metasilicate (6834-92-0), Tetrasodium ethylenediaminetetraacetate (64-02-8), Vanilla fragrances (Proprietary), d-Limonene (5989-27-5) and Terpinolene (586-62-9). This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
