

HYDRO FORCE™

**INDUSTRIAL STRENGTH
Cleaner / Degreaser**

Solvent Strength Formula

**Dissolves Oil, Dirt & Grease Fast
Concentrated / Dilutable
Biodegradable**

New CRC® HydroForce™ Industrial Strength Cleaner / Degreaser seeks out grease and annihilates it like no other aqueous-based cleaner. Using a CRC exclusive formula, HydroForce™ approaches the cleaning performance formerly reserved for traditional solvent-based degreasers. Upon contact, HydroForce™ instantly begins to hunt-down, break-up and lift-off heavy deposits of grease, oil and dirt. In fact, HydroForce™ exhibits a unique spreadability that, drop-for-drop, cleans up to three times the surface area as leading aqueous-based cleaners.

CRC® HydroForce™ Industrial Strength Cleaner/Degreaser is:

- Biodegradable • Concentrated • Low Foaming • Non-Abrasive • Non-Flammable
- Non-Ozone Depleting • Safe on Most Plastics • Perfect for Machinery, Motors, Pressure Washers, Concrete & Non-Porous Surfaces.

DIRECTIONS FOR USE: Read entire label before using this product.

Use Full Strength or Dilute with Water.

Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity. Apply directly to pre-tested surface. Allow HydroForce™ to penetrate the soil. Wipe or rinse clean with water or a damp sponge.

NOTE: Avoid full strength contact on painted surfaces, soft metals (such as aluminum and copper) and glass. Do not allow to dry on any surface without wiping or rinsing thoroughly.

DANGER: Contains: 2-Butoxyethanol 111-76-2, Sodium Metasilicate 6834-92-0, Potassium Hydroxide 1310-58-3, Water 7732-18-5 & Sodium xylenesulfonate 1300-72-7. **MAY CAUSE BURNS ON EYES AND SKIN. HARMFUL IF INHALED OR SWALLOWED.** Use with adequate ventilation to prevent accumulation of vapors. Use of rubber gloves and eye protection is recommended. Avoid contact with skin and eyes. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes and contact medical assistance immediately. If swallowed, DO NOT INDUCE VOMITTING. Give 2-3 glasses of water or milk and seek medical care immediately. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product.

KEEP AWAY FROM CHILDREN

DISPOSAL: All used and unused product should be disposed of in accordance with federal, state and local regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.
