CRC® HydroForce® Stainless Steel Cleaner & Polish

New CRC® HydroForce® Stainless Steel Cleaner & Polish blends the aqueous-based power of HydroForce® with a durable metal polish in one easy step. Using a CRC exclusive, ultra shine formula, HydroForce® eliminates dirt, dust, fingerprints and watermarks from stainless steel and leaves behind a protective, non-greasy barrier that resists the return of these stains. Created specifically for industrial applications, HydroForce® is formulated with powerful cleaning agents designed to out-clean, out-shine and out-perform competing janitorial stainless steel cleaners. With a quick buff, HydroForce® cleans the surface and leaves behind a lasting stainless steel shine.

This product can be used as an economical refill for the 30 oz. trigger bottle (Part #14425).

CRC® HydroForce® Stainless Steel Cleaner & Polish is:
Non-Corrosive (pH \leq 11.5) • Biodegradable • Ready-To-Use • Non-Abrasive • Non-Flammable • Industrial Strength
• Non-Ozone Depleting • Contains Less Than 30% VOC
• NSF Registration #120894, Category Code: C1 for use in meat and poultry plants. • Perfect For All Stainless Steel, Chrome, Aluminum & Other Shiny Metal Surfaces.

DIRECTIONS FOR USE: Read entire label before using this product.

Product is ready to use. No dilution is necessary. Shake well and apply sparingly on surface to be cleaned. On heavily soiled surfaces, allow HydroForce® to penetrate the soil for 10 to 30 seconds. Wipe with a clean, lint-free cloth or paper towel. Buff to a high luster. FOR HEAVY DUTY DEGREASING: CRC recommends the use of HydroForce® Industrial Strength Cleaner/Degreaser or HydroForce® All Purpose Cleaner/Degreaser.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. See physician if irritation occurs. If too much is breathed, remove to fresh air. If swallowed, DO NOT induce vomiting.

DISPOSAL: All used and unused product should be disposed of in accordance with federal, state and local regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

For additional information, consult the Material Safety Data Sheet for this product.

WARNING: Contains: Water 7732-18-5, Polyethylene Glycol Diolate 9005-07-06, Petroleum Distillate 64742-47-8, White Oil 8042-47-5, Ethoxylated sorbitan ester 9005-70-3, Dioctyl sodium sulfosuccinate 64741-65-7, Monoethanolamine 141-43-5. Avoid continuous breathing of spray mist. Avoid continuous exposure to skin and eyes. Progressively higher exposure can cause eye irritation.
