

HYDRO FORCE

ZERO VOC
General Purpose Cleaner
Everyday, Cleaning Formula

VOC-Free

Butyl-Free

Low-Odor

Concentrated

Biodegradable

HydroForce® Zero VOC General Purpose Cleaner unites the power of HydroForce® with the everyday sensibility of a butyl-free cleaner. Using a CRC exclusive formula, HydroForce® is versatile and safe enough to use daily for all your routine cleaning tasks. Yet HydroForce® is strong enough to attack and remove tough dirt, dust and grime deposits. In fact, HydroForce® Zero VOC approaches the cleaning performance of many aqueous cleaners containing butyl. This, combined with HydroForce®'s biodegradability and lack of phosphates, ammonia or bleach, make it the sensible choice for use every day.

CRC® HydroForce® Zero VOC General Purpose Cleaner is:

- Non-Corrosive (pH < 11.0) • Biodegradable • Concentrated • Non-Abrasive
- Safe On Most Plastics • Non-Flammable • Industrial Strength • Non-Ozone Depleting • NSF Registration 138267, Category Code A1 For Use In Meat and Poultry Plants • Floor Wax Safe • Perfect for Hand-Held Pressure Washers & Industrial High Pressure Parts Washers • Perfect For Work Stations, Counters, Walls, Floors, Non-Porous Surfaces & Tough Stains On Fabrics.

DIRECTIONS FOR USE: Read entire label before using this product. Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity. Soak, pre-wash, sponge or apply directly to pre-tested surface. Allow HydroForce® to penetrate the soil and rinse clean with potable water. **FOR HEAVY DUTY DEGREASING AND HEAVILY SOILED ITEMS:** CRC recommends the use of HydroForce® Industrial Strength Cleaner/Degreaser or HydroForce® All Purpose Cleaner/Degreaser.

Use Full Strength or Dilute with Water.

WARNING: Contains Water 7732-18-5, Surfactant (proprietary), and Sodium citrate dihydrate 6132-04-3. May cause eye irritation. Avoid contact with eyes. For sensitive skin, use rubber gloves. Avoid contact with food. Use with adequate ventilation to prevent accumulation of vapors.

FIRST AID: In case of eye contact flush with water for 15 minutes. If swallowed, drink full glass of water. For severe overexposure, call a physician immediately.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. For additional information, consult the material Safety Data Sheet for this product.
