HydroForce®

Zero VOC General Purpose Cleaner

Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite crcindustries.com.

HydroForce® Zero VOC General Purpose Cleaner unites the power of HydroForce® with the everyday sensibility of a butyl-free cleaner. Using a CRC exclusive biodegradable formula, HydroForce® is versatile and safe enough to use daily for all your routine cleaning tasks. Yet HydroForce® is strong enough to attack and remove tough dirt, dust and grime deposits. In fact, HydroForce® Zero VOC approaches the cleaning performance of many aqueous cleaners containing butyl. This, combined with HydroForce®'s biodegradability and lack of phosphates, ammonia or bleach, make it the sensible choice for use every day.

CRC® HydroForce® Zero VOC General Purpose Cleaner is:

- Non-Corrosive (pH < 11.0)
- Biodegradable Formula
- Non-Abrasive
- Safe On Most Plastics
- Non-Flammable
- Industrial Strength
- Non-Ozone Depleting
- Floor Wax Safe
- Perfect For Work Stations, Counters, Walls, Floors, Non-Porous Surfaces & Tough Stains On Fabrics.

DIRECTIONS: *Read entire label before using this product.*

Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity. Soak, pre-wash, sponge or apply directly to pre-tested surface. Allow HydroForce® to penetrate the soil and rinse clean with potable water. **FOR HEAVY DUTY DEGREASING AND HEAVILY SOILED ITEMS:** CRC recommends the use of HydroForce® Industrial Strength Cleaner/Degreaser or HydroForce® All Purpose Cleaner/Degreaser.

Precautionary Statements: Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Observe good industrial hygiene practices. Store away from incompatible materials. Do not store container below 32 °F. Dispose of contents/container in accordance with local/regional/national regulations.

First Aid: Wash hands after handling.

Contains Water (7732-18-5), Surfactant (Proprietary) and Trisodium citrate dihydrate (6132-04-3). Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
