CRC® HydroForce® Zero VOC General Purpose Cleaner

Para obtener información adicional en Español, visite www.crcindustries.com.

HYDROFORCE Zero VOC General Purpose Cleaner unites the power of HYDROFORCE with the everyday sensibility of a butyl-free cleaner. Using a CRC exclusive formula, HYDROFORCE is versatile and safe enough to use daily for all your routine cleaning tasks. Yet HYDROFORCE is strong enough to attack and remove tough dirt, dust and grime deposits. In fact, HYDROFORCE Zero VOC approaches the cleaning performance of many aqueous cleaners containing butyl. This, combined with HYDROFORCE's biodegradability and lack of phosphates, ammonia or bleach, makes it the sensible choice for use every day.

CRC HYDROFORCE Zero VOC General Purpose Cleaner is:

• Non-Corrosive (pH < 11.0) • Biodegradable Formula • Concentrated • Non-Abrasive • Safe On Most Plastics • Non-Flammable • Non-Ozone Depleting • Floor Wax Safe • Perfect For Hand-Held Pressure Washers & Industrial High Pressure Parts Washers • Perfect For Work Stations, Counters, Walls, Floors, Non-Porous Surfaces & Tough Stains On Fabrics.

DIRECTIONS: Read entire label before using this product.

Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity. Soak, pre-wash, sponge or apply directly to pre-tested surface. Allow HYDROFORCE to penetrate the soil and rinse clean with potable water. FOR HEAVY DUTY DEGREASING AND HEAVILY SOILED ITEMS: CRC recommends the use of HYDROFORCE Industrial Strength Cleaner/Degreaser or HYDROFORCE All Purpose Cleaner/Degreaser.

Use Full Strength or Dilute with Water

Dilution Rates:

Dirt, Dust, Grime, Fabric Stains
Plastic, Fiberglass, General Facility
Pressure Washers
Fabrics, Glass, Mirrors, Plexiglass

Water : HYDROFORCE

Full Strength
3 : 1
30 : 1
50 : 1

Precautionary Statements: Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Wear eye protection/face protection. Wash thoroughly after handling. Store away from incompatible materials. Do not store container below 32 °F/0 °C. Dispose of contents/container in accordance with local/regional/national regulations.

First Aid: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Contains water 7732-18-5 and trisodium citrate dihydrate 6132-04-3.

Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
