

# Lectra Clean® 3000 Energized Electrical Equipment Cleaner

NAPA/CRC Lectra Clean® 3000 Energized Electrical Equipment Cleaner is designed to clean electrical equipment where cleaning is accomplished when electrical current exists, or when there is a residual electrical potential from a component. It can be used to quickly and effectively degrease, remove oil, dirt, wax and other foreign matter that may cause electrical failure. NAPA/CRC Lectra Clean® 3000 leaves no residue. It is a non-flammable, non-conductive and non-staining cleaner.

**DIRECTIONS:** *Read entire label before use. Follow all directions.* Not for use on sensitive electronic equipment. Use a NAPA/CRC plastic-safe cleaner for these applications.

1. DO NOT use on polycarbonate plastics. If in doubt, call the manufacturer of the equipment. **MAY ALSO BE HARMFUL TO OTHER PLASTICS.**
2. Protect all rubber parts, plastic parts and painted surfaces from overspray. DO NOT spray directly on painted surfaces.
3. Remove access plates to expose equipment interior. For hard to reach areas, use extension tube.
4. Spray until clean.
5. Air dry.
6. Heavy deposits may require repeat applications.

**VOC Category:** Energized Electrical Cleaner. Energized equipment use only.  
**Not to be used for motorized vehicle maintenance or their parts.**

Contains tetrachloroethylene 127-18-4 and carbon dioxide 124-38-9.

**DANGER:** Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F/49°C. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Do not use near flames, welding arcs, or excessive heat. When exposed to extreme heat, vapors may decompose to corrosive and toxic gases such as hydrogen chloride and possibly phosgene. Avoid breathing of vapor. Avoid contact with skin and eyes. Overexposure can cause an allergic skin reaction, eye and skin irritation, irritation to upper respiratory tract, central nervous system effects, irregular heartbeats, unconsciousness, and possibly death. Tetrachloroethylene is reasonably anticipated to be a human carcinogen based on animal studies. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Vapors are heavier than air and can accumulate in low areas. If ventilation is not adequate or you experience any symptoms listed on this label, increase ventilation, use respiratory protection or leave the area.

**FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, call your poison control center at 1-800-222-1222. For severe overexposure, call physician immediately.

**DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

**ELECTRICAL SHOCK HAZARD:** This metal can will conduct electricity. Do not touch can to live electrical sources as this may result in serious injury.

**KEEP AWAY FROM CHILDREN**

**WARNING:** Cancer - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

# Lectra Clean® 3000

## Energized Electrical Equipment Cleaner

**Non-Flammable • Non-Conductive  
Not for Automotive Use**

**Dissolves Grease, Oil, Dirt & Wax  
Non-Staining • Leaves No Residue**

PLEASE RECYCLE  
WHEN EMPTY

**DANGER:** VAPOR HARMFUL. EYE AND SKIN IRRITANT. MAY CAUSE AN ALLERGIC SKIN REACTION. CONTENTS UNDER PRESSURE. READ WARNINGS ON BACK PANEL.

Net Wt. 1 lb 3 oz (538 g)

Item# 1750533
