

BRAKE PARTS CLEANER

**Blasts Away Deposits
Quick Evaporation**

**Dissolves & Removes Grease, Oil & Other Contaminants
No Fouled Waste Oil**

This highly concentrated solvent blend provides maximum performance in a brake parts cleaner without the use of ozone depleting chlorinated solvents. Powerful blasting spray easily removes brake fluid, grease, oily dirt and contaminants from linings, pads and drums, cylinders and springs without disassembling the brake unit. Quick and complete evaporation make this product the professional's choice for a brake parts cleaner. Contains no chlorinated hydrocarbons.

DIRECTIONS: Read entire label before using this product.

IMPORTANT: Do not spray on hot or warm surfaces. Remove cap and insert extension tube provided into spray tip. Hold can upright and keep tip pointed at dot on valve cup. Spray brake parts liberally and allow to run off. Air or towel dry with clean, soft wiper. Repeat as necessary. Protect rubber and plastic parts from spray.

Contains acetone 67-64-1, carbon dioxide 124-38-9, and heptanes 64742-49-0, 426260-76-6, 64742-89-8, 589-34-4, 142-82-5, and 591-76-4.

DANGER:

Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F/49°C. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Do not use near open flame or other sources of ignition. Avoid breathing vapor. **Excessive inhalation of dust and/or vapors may be harmful.** Avoid contact with skin and eyes. Exposure can cause skin irritation, eye irritation, headache, dizziness, or drowsiness. Product may pose an aspiration hazard if swallowed. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation, use respiratory protection, or leave the area.

FIRST AID:

In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, call your poison control center at 1-800-222-1222.

DISPOSAL:

All used and unused product should be disposed of in conformance with local, state, and federal regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

KEEP AWAY FROM CHILDREN
